2006 OTC - POV EXPRESS - PAVILION

OTC is pleased to announce the return of the POV Express. Privately Owned Vehicles (POV's) are defined as cars, pick-up trucks, vans, small tow trailers, and other trucks under 12 feet. We will all need to work together to make this as efficient as possible for everyone. Please note that there must be two people in the car if you are going to unload your exhibit material yourself. Your vehicle may never be left unattended.

- Privately Owned Vehicles (POV's) should enter the Reliant Center Complex through the Holly Hall gate, which is located off of Fannin Street.
- Straight trucks/Bobtail trucks, contract carriers and trucks over 12 feet are not considered POV's and must report directly to the Marshalling yard to gain access to the docks. The check in trailer will be located in the North Fannin lot which is number 13. All POV's will be handled on a first-come, first-served basis.

MOVE-IN

To assure a smooth and efficient move-in for everyone, all POV's must check in with the security officer located inside the Holly Hall gate. Security personnel will be on hand to help direct you to the area that you can unload that is closest to your booth. Once unloaded, parking will not be permitted. Vehicles may never be left unattended.
