

## OTC CONFERENCE PROGRAM FORM - ONLINE

30 APRIL - 3 MAY 2007  
RELIANT CENTER  
HOUSTON, TX USA

The 2007 OTC Conference Program Form is now available online at [www.otcnet.org/2007](http://www.otcnet.org/2007).

You will shortly be receiving a letter with your company number and instructions for completion of the form. Please read the instructions carefully, select your products and services codes, and complete the on-line form for your company and its exhibiting divisions or subsidiaries. The form must be completed and submitted to us before **12 February 2007**. You must meet this deadline to ensure your company's accurate listing in the Conference Program.

- Enter your Company Number on the form.
- Provide your company name, address, phone and facsimile numbers, email address, web site and names of your exhibiting divisions or subsidiaries.
- Provide a 350-character description of products featured in your booth.
- Carefully review the list of products and services codes and select up to 6 each for your company and its divisions. OTC reserves the right to edit the selections if your divisions have names alphabetically sequential to your company (e.g. we would not list ABC Co. and ABC Co. Intl. under the same code).

Only one full company listing is complimentary. Exhibitors may elect to purchase additional full listings for \$250.00 per listing or a division listing with all information except the 350-character description for \$50.00 per listing.

**NOTE:** It is necessary to complete this form for your 2007 listing. We do not guarantee that prior information provided to OTC in previous years will be listed in the 2007 program.

If you have any questions regarding the Conference Program form, please contact Barbara Katz at [bkatz@otcnet.org](mailto:bkatz@otcnet.org); telephone: +1.972.952.9326; fax: +1.866.793.6406.
